Roy Castle Lung Cancer Foundation is the only UK charity wholly dedicated to beating lung cancer.

Here’s how we achieve our aims:

- Funding research.
- Education - teaching young people about the dangers of smoking through CutFilms.
- Campaigning for better outcomes for lung cancer patients.
- Raising awareness of the importance of early diagnosis.

Supporting people affected by lung cancer

- Providing information materials.
- Organising lung cancer support groups across the UK.
- Providing patient relief grants.
- Offering telephone and online support.
- Supporting nurses.
- Working in partnership with:

Contact us for support
If you or someone you know needs support, we are here to help. We are able to offer advice on:
• Concerns that you might have lung cancer
• Where to get help on side effects
• Ways of managing how you, your family and friends are affected by lung cancer
• Understanding treatment decisions/options
• Any other issues around diagnosis and treatment

Money matters
Our Living with lung cancer booklet is full of information about benefits and financial support.
To order a copy call 0333 323 7200 (Option 2) or view online at: www.roycastle.org/ayqpack

Patient grants
We can offer help if you are having money problems after diagnosis with a small grant.

To apply or find out more information visit: www.roycastle.org/patientgrants or speak to your local lung cancer nurse specialist to see if you are eligible.

"I had lost so much weight and asked my nurse if I could get any help with clothing. She put me in touch with the Foundation and within a month they sent me a cheque for clothing which was very much appreciated. I could not thank them enough for helping me in my hour of need."

Lung cancer patient, grant recipient

Face to face support
We want people affected by lung cancer to have access to high quality support across the UK.

We have Roy Castle Lung Cancer Support Groups that meet up on a monthly basis to give you the chance to talk to others who have been diagnosed with lung cancer.

It’s also a great opportunity to meet with your local lung cancer nurse in an informal and friendly setting where all of your important questions can be answered.

To find the location of your nearest group, visit: www.roycastle.org/localgroups or call our nurse-led helpline 0800 358 7200

Roy Castle Lung Cancer Information Days
• A chance to meet and share with other people affected by lung cancer.
• An opportunity to hear from professionals on the latest in lung cancer.
• Questions and answer time.
• Workshops to share your thoughts and opinions.

Lung Cancer Information Days
Please call 0333 323 7200 (Option 2) or email info@roycastle.org for more details.

Roy Castle Lung Cancer Forum
Health Unlocked Forums are an ideal platform to build a sense of community and allow patients as well as carers to ask questions, share knowledge and experiences, exchange ideas and support each other. Visit our forum for support and information at: www.healthunlocked.com/lungcancer

Information for you
Our information is available to support people affected by lung cancer and healthcare professionals.

We can offer:
• Our Lung cancer – Answering Your Questions pack, which contains information booklets that provide answers to commonly asked questions about lung cancer, along with a DVD (various languages).
• Treatment booklets on chemotherapy, radiotherapy, surgery and targeted therapies.
• Inspire Magazine – features news, personal stories and tips to give people with lung cancer.
• Condition specific booklets on brain metastases and small cell lung cancer.

"I recently requested some information on Lung Cancer as I am a Lung Cancer patient. The information arrived this morning and I just wanted to say thank you. It has given me further knowledge into this terrible disease."

Lung cancer patient, England

All our lung cancer information is free of charge to lung cancer patients, carers and healthcare professionals.
